

Pressure
Yan Lyu

what are your exam scores?

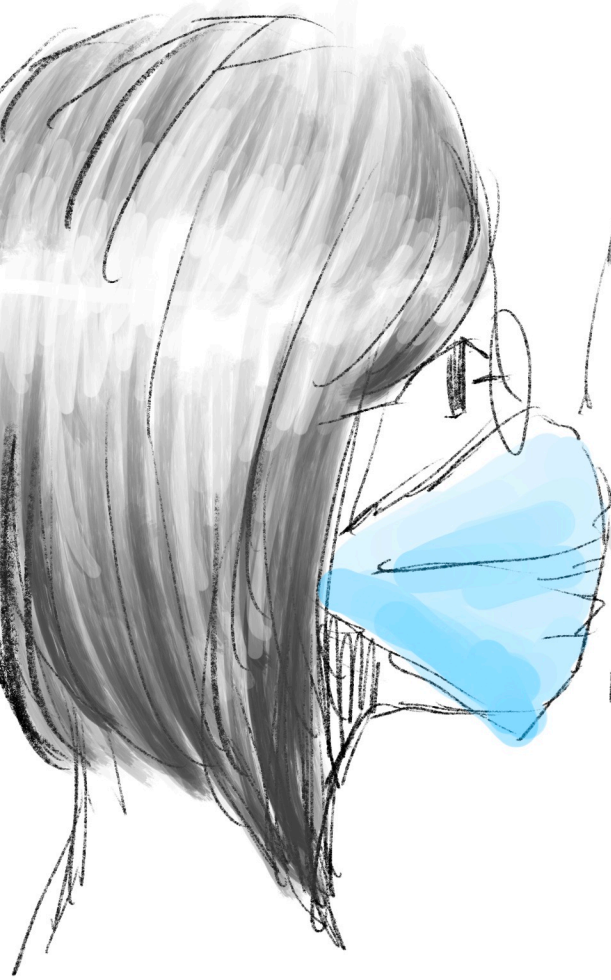

87

You know what

He is a really nice instructor

who I'd love to talk with

But...

How are you doing?

I'm afraid of men,
especially if they're taller than me

Good...
How... How are you?

even though it's been almost 15 years

since the last time you hit me.

Good!

In fact,
those moments
still haunt me.

WILL THE TRAUMA

I don't want to know what you think

I don't want to hear your excuses

You didn't

studied hard

that's why

your test scores are low

I don't care about

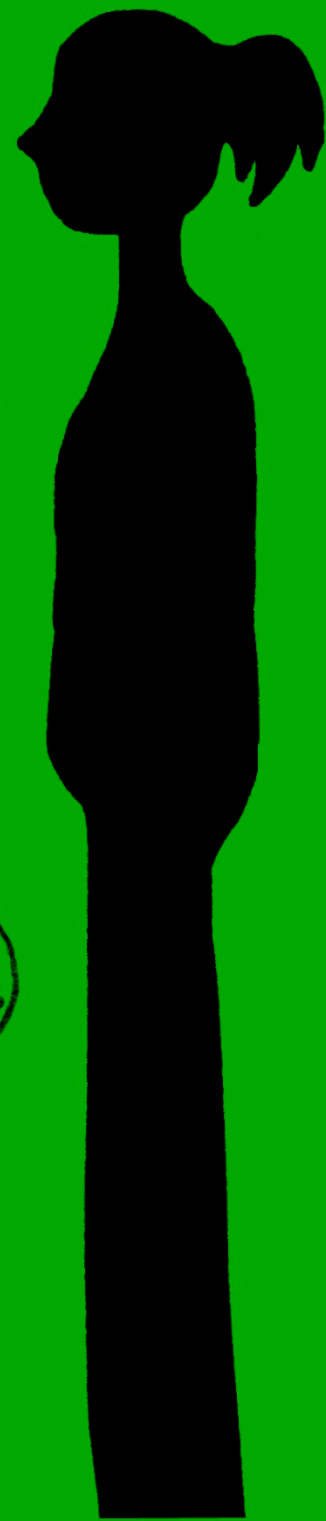

A POOR student A useless GIRL

like you

I have to prepare for my next class

I have no time to talk to you

I hope you
are happy

You curse me

I want you
all to be happy

Except me

I won't
lie to you

HYPOCRISY

We are best friends

We used to be

I want to
keep in touch
with you

You're trying
to sabotage
my relationship
with him

I don't care
what you've
done

You are
insanely jealous

Don't
misunderstand
me

I'm
telling the
truth

How could a kid like you feel sad?

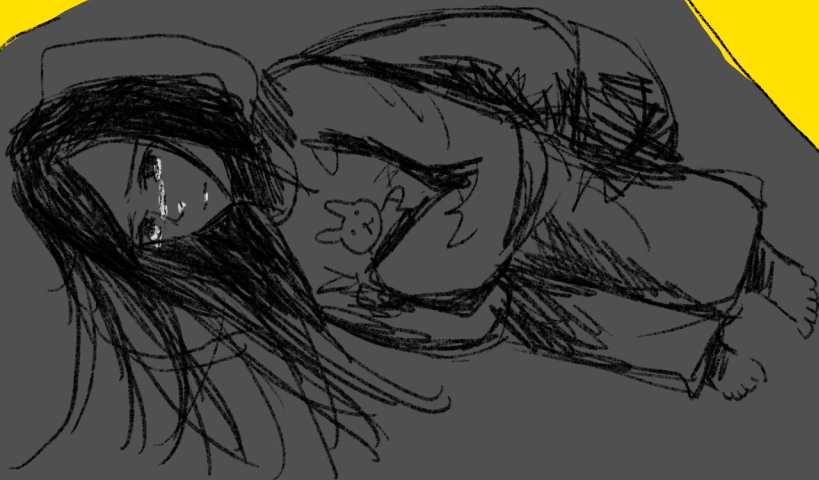

You're just making excuses
for not going to school

GET UP
DON'T

WASTE YOUR TIME

I feel so sad...
I don't want to go anywhere

我们都是为了你好
When you go to college
you must learn economics
otherwise we will
not give you money

Can you change
your major

I'm a junior so no

Okay
But you promised
you won't study art

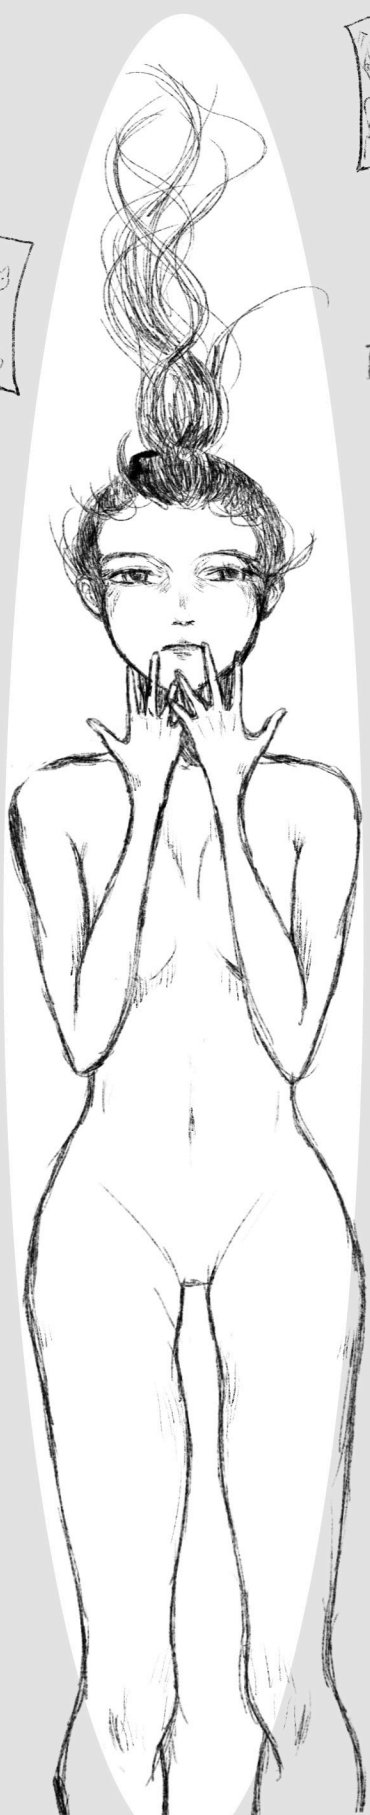

Why do you always
neglect what I really want
my dreams of
being an artist?

Stop drawing this shit
If you like it

You can be a 艺考生
Treat art as a test

- Or
- Study for your
- Chinese
- Math
- English
- History
- Geography
- Politics

A GIRL can go to school abroad?

Her family is so spoiled.....

Listen.....

You don't have to
study too hard.....

It's hard to find a date
when you get back...

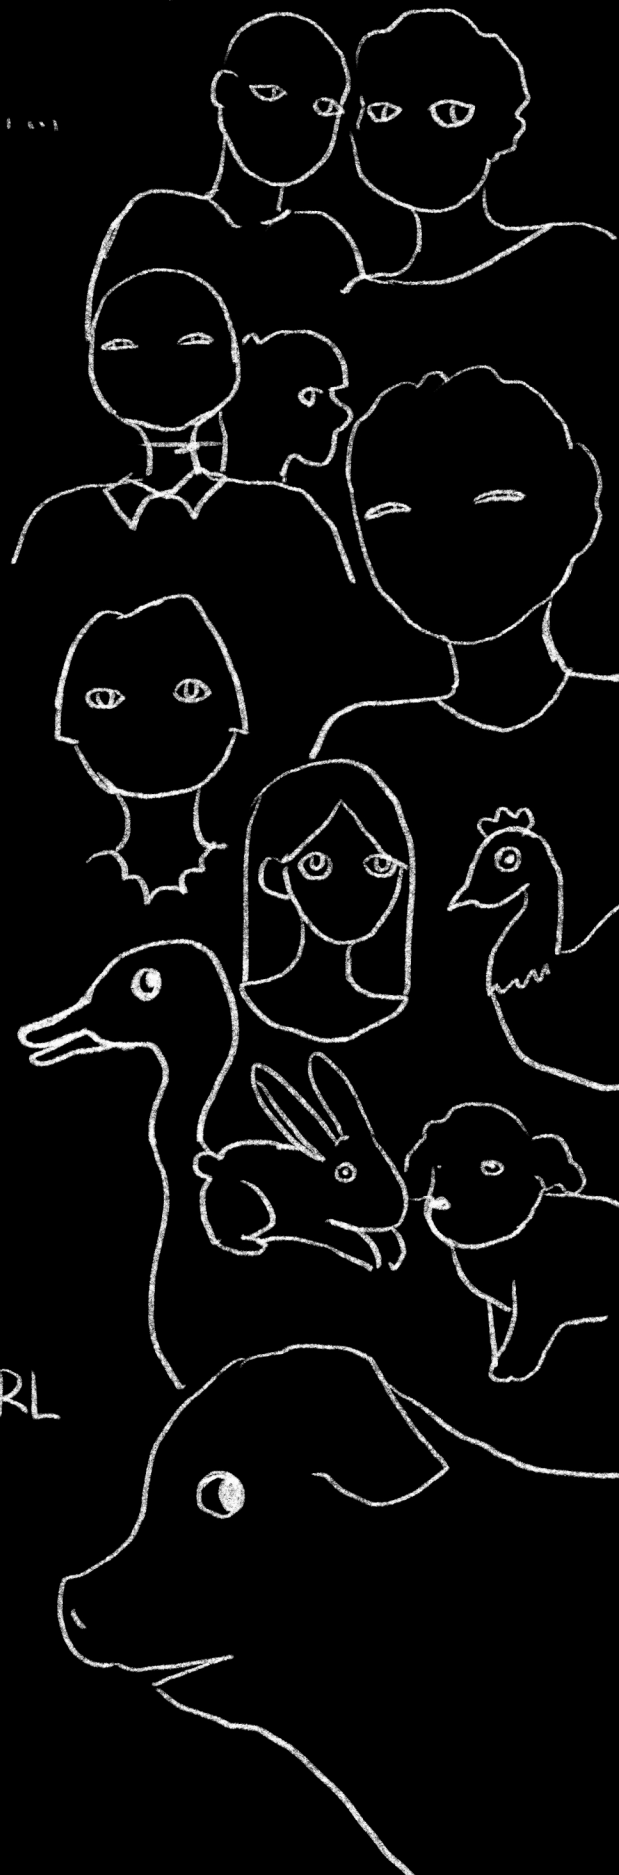

A married GIRL is like
water poured out.....

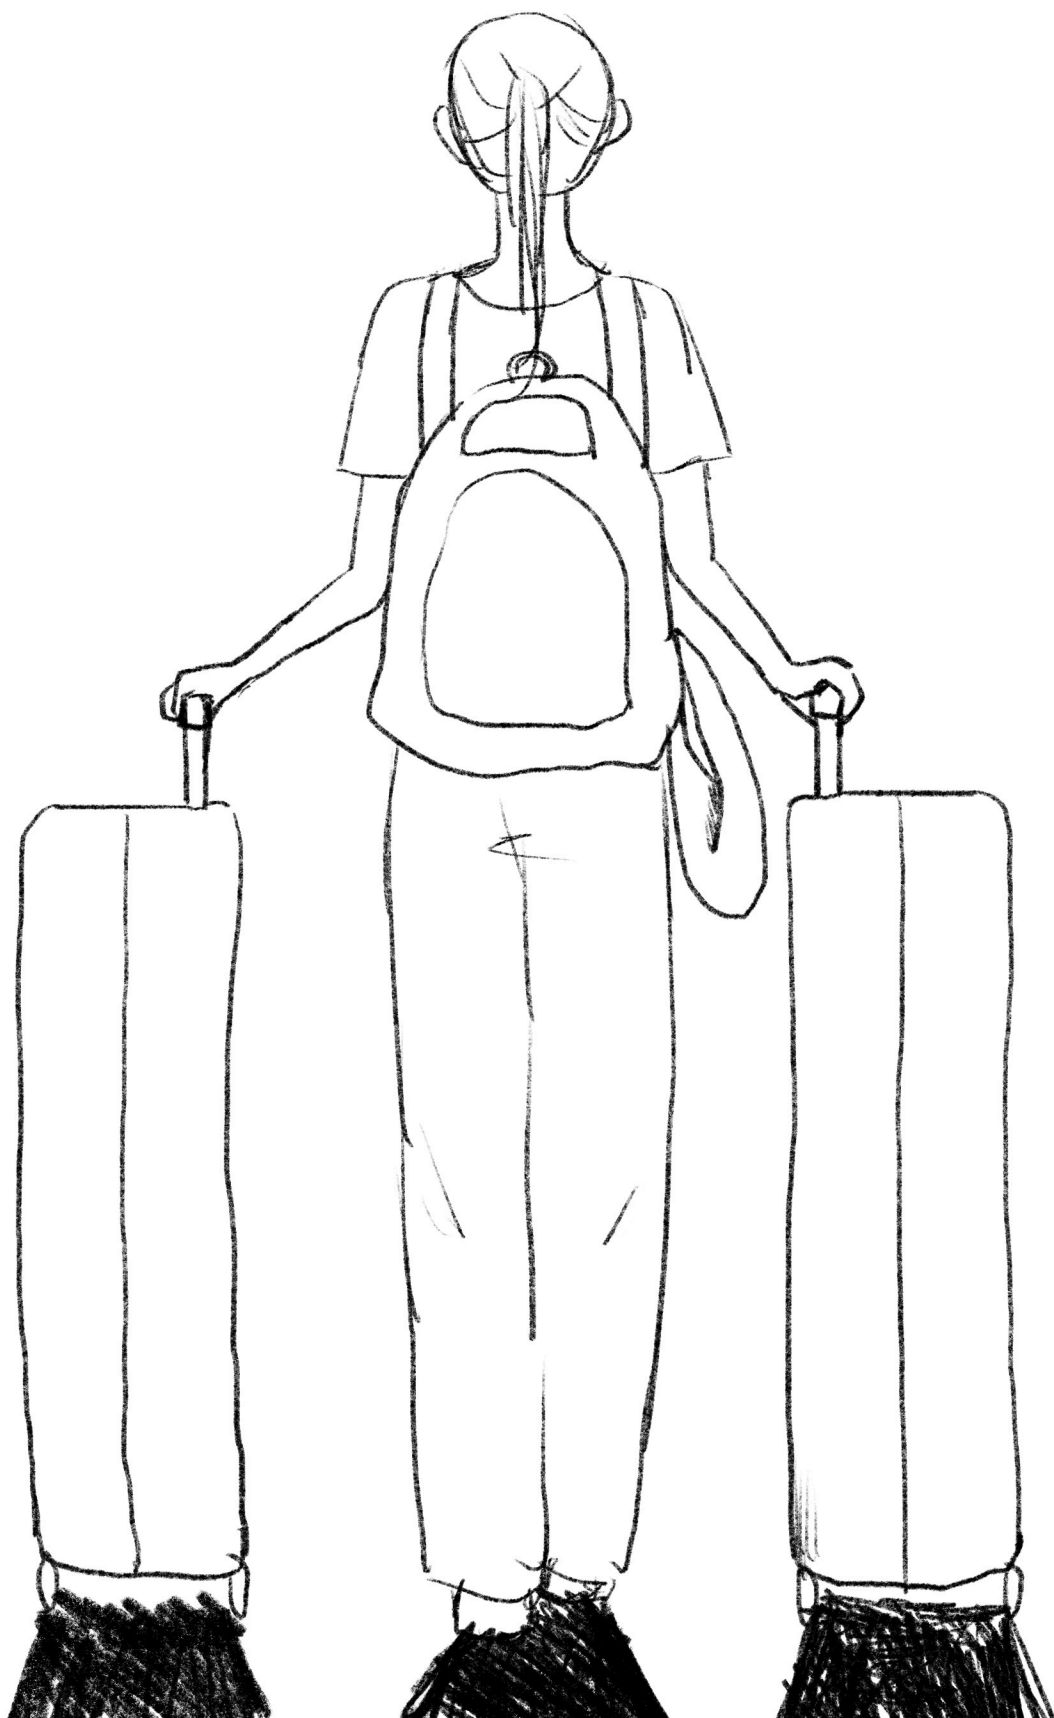

The most important
thing in your life is
getting married.....

Because you're just a GIRL

You can't be better than

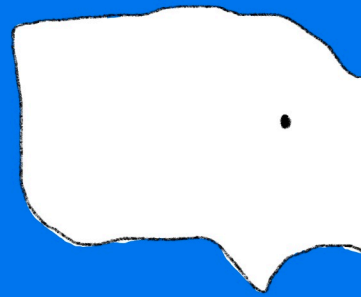

BOYS

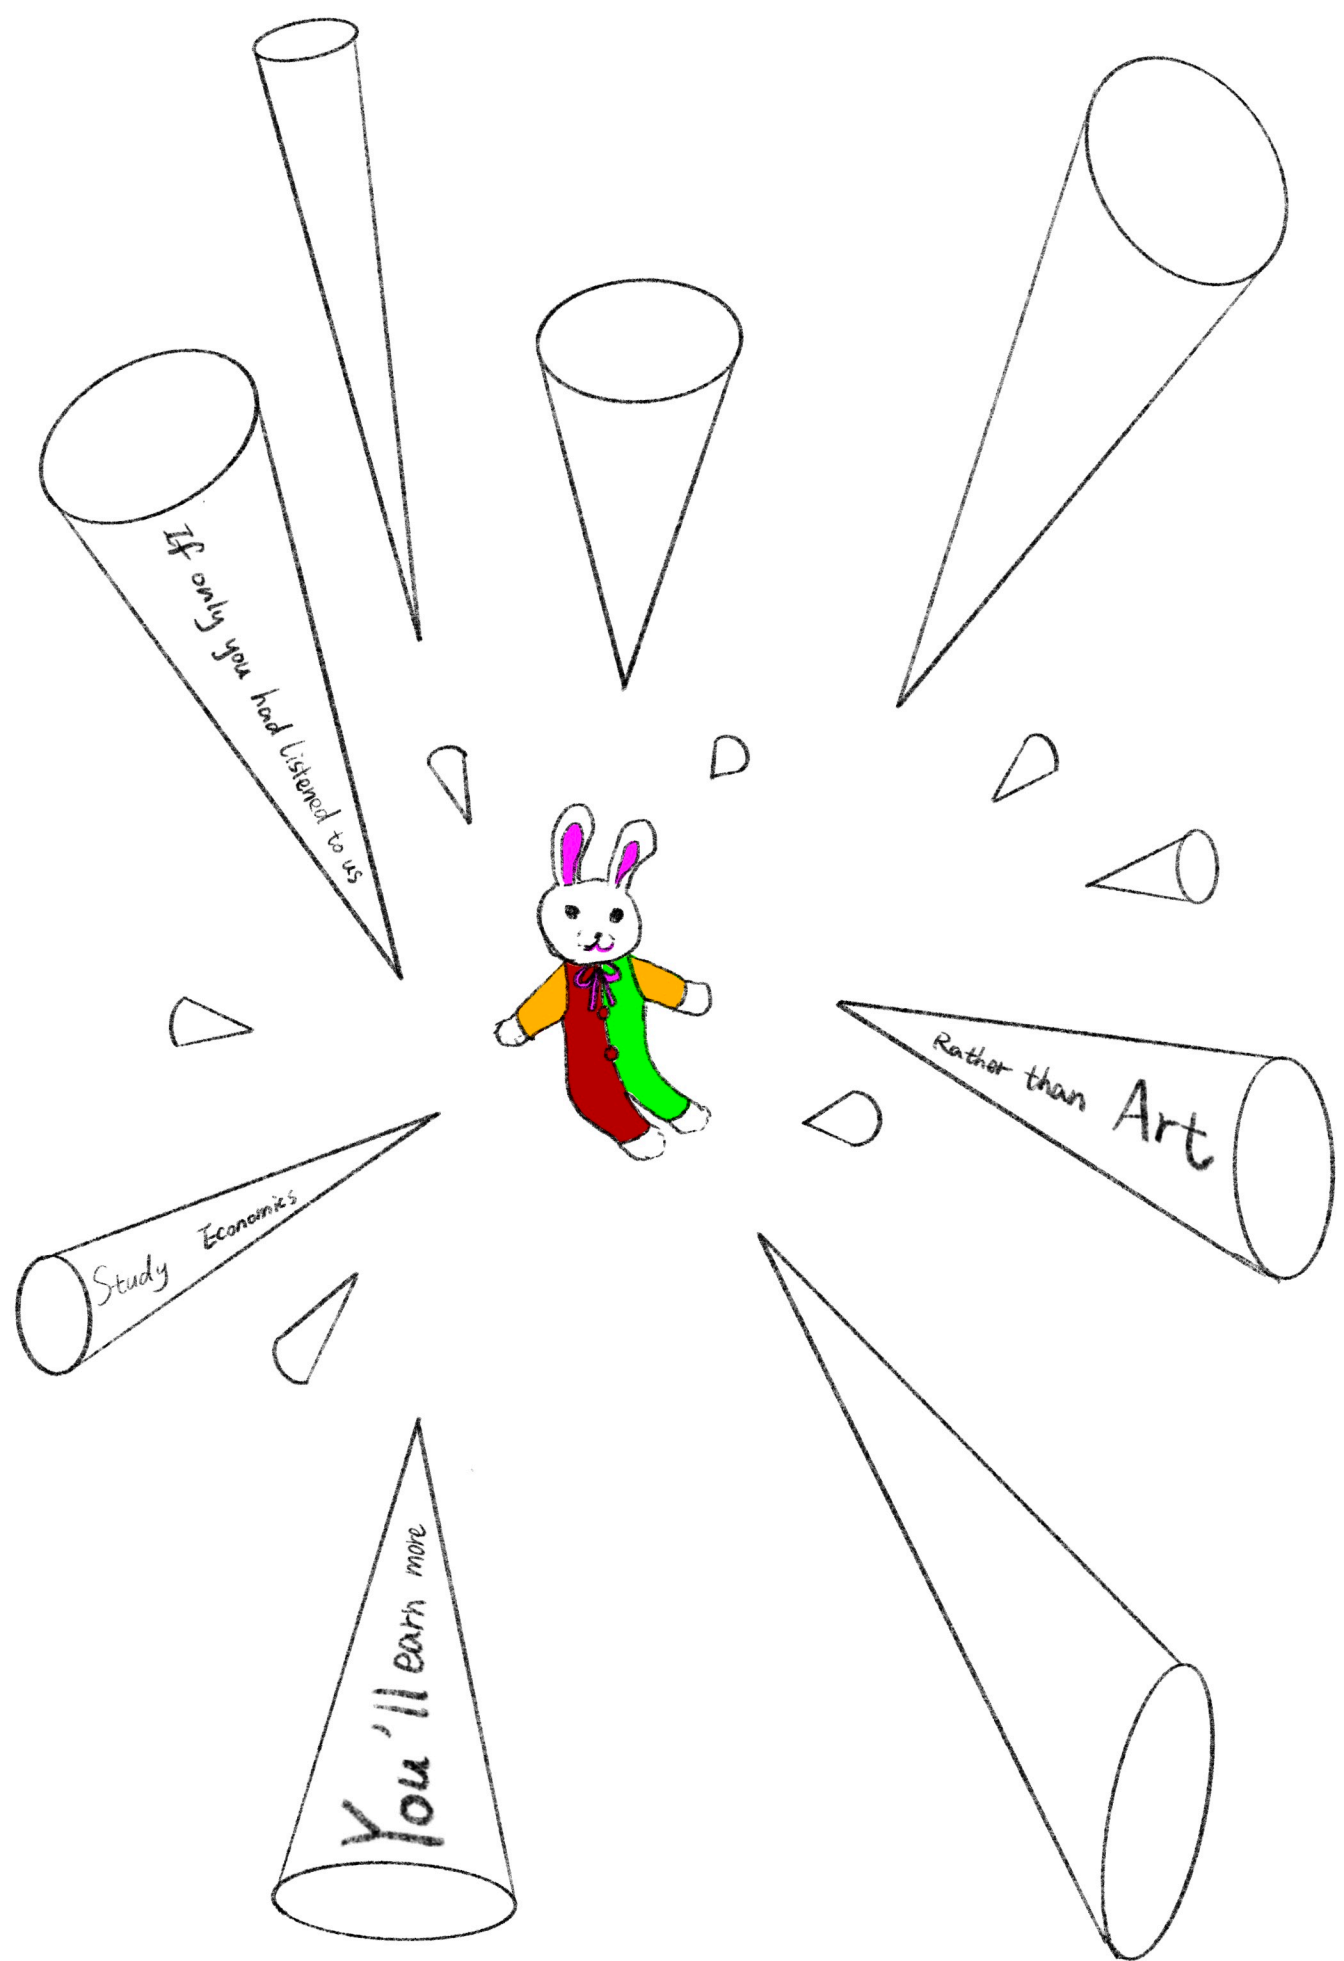

I WANT TO BE AN ART STUDENT

YOU CANT DO THAT

WELL

YOU ARE GONNA HAVE TO GET A PASSPORT TO STOP ME

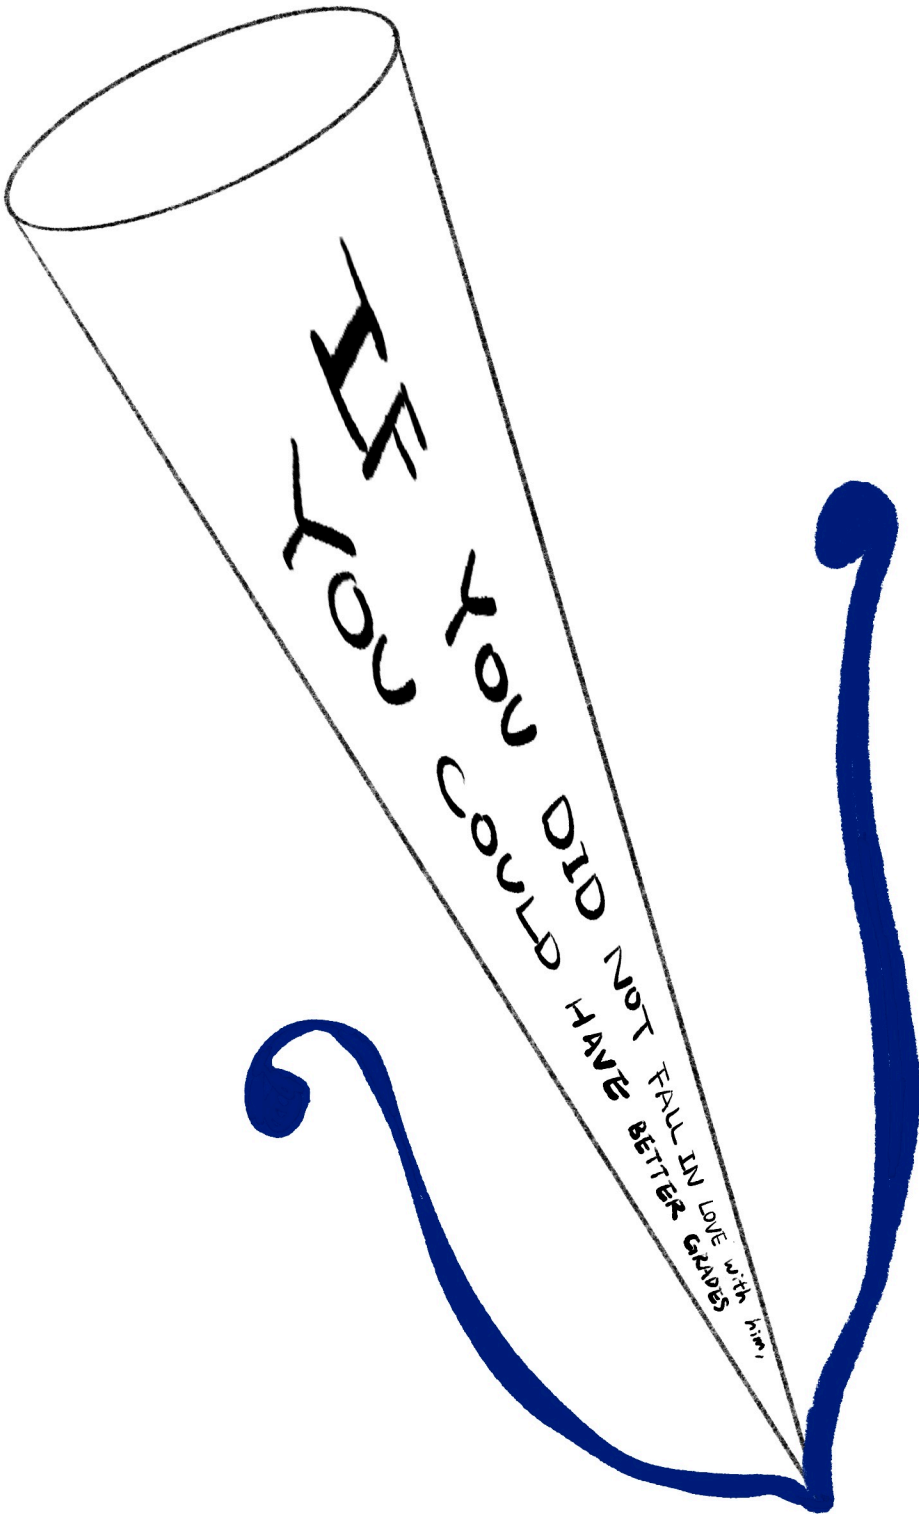

If only you had listened to us

Rather than Art

Study Economics

You'll learn more

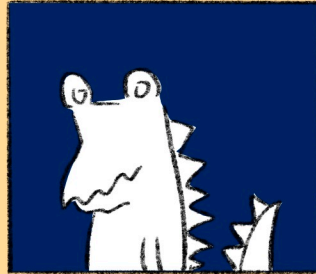

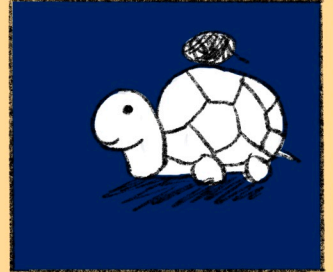

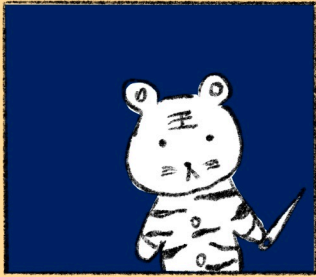

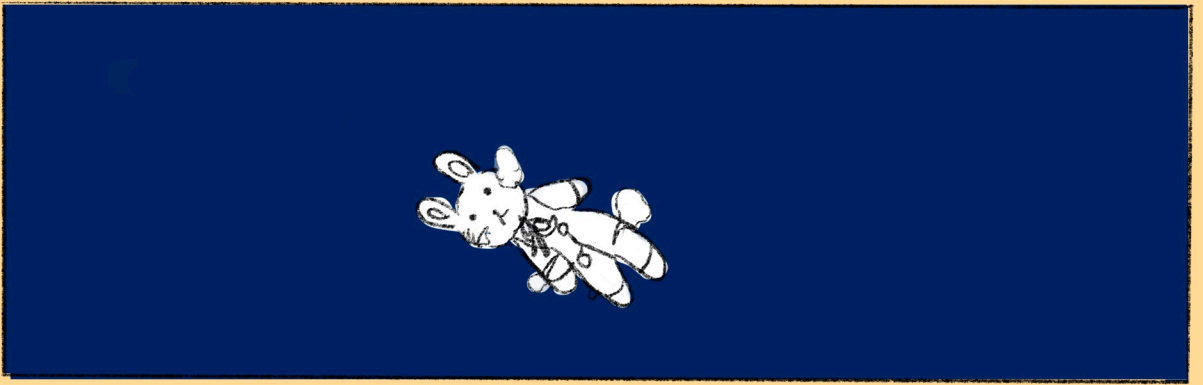

You draw
very well

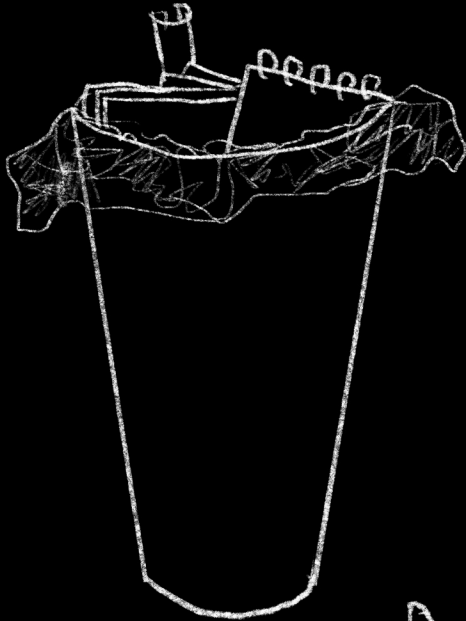

I love you.

I will always
support what you
want to do.

You're excellent

Grades do not measure
the value of a person

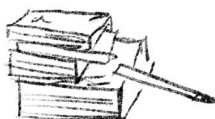

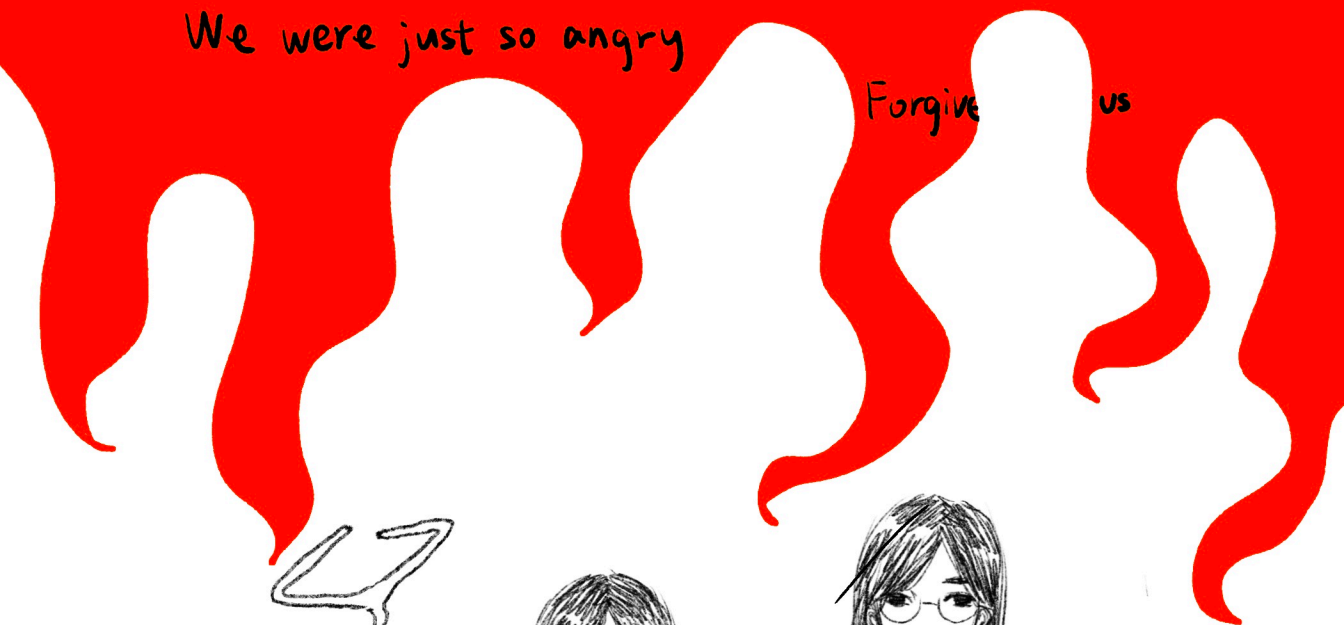

LISTEN...

WE REGRET IT EVERY TIME WHEN WE HIT YOU

We were just so angry

Forgive us

We love you so much

We give you money

give you food

raise you

It's been a long time since we beat you

why do you complain about us

when you grow up?

We had a hard time raising you

You are not a filial daughter

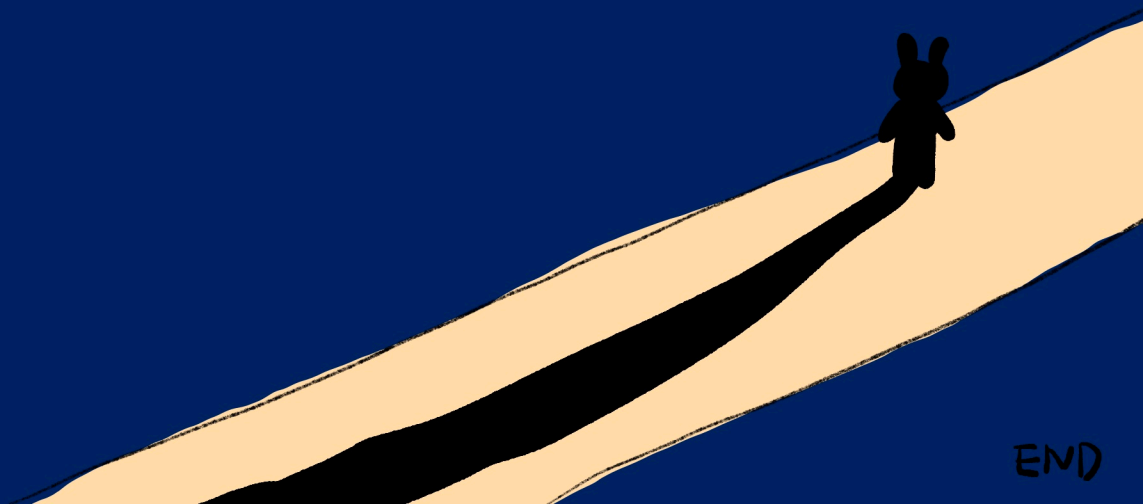

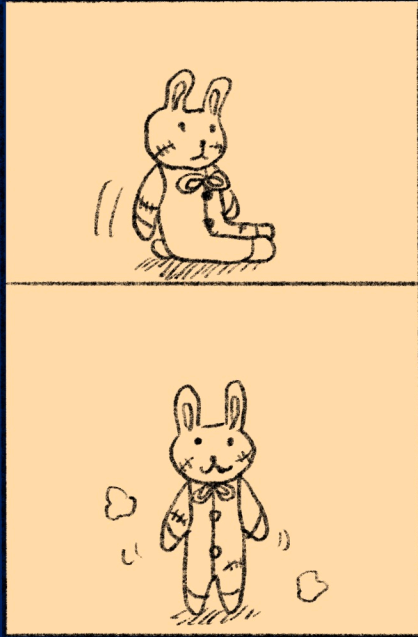

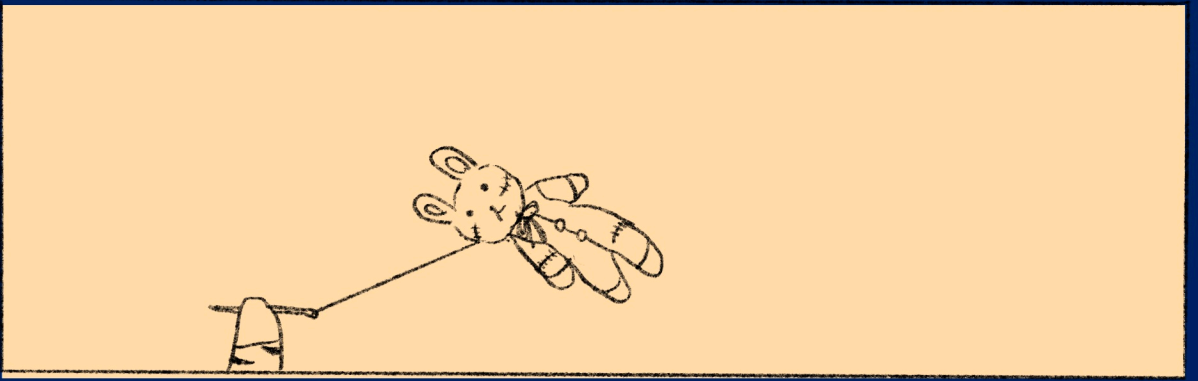

It's time
for breakfast!

Good morning,
sweet heart.

Good morning!

END
